7th Sunday of Easter (Year C) 29th May 2022

Sunday Reflection

The gospel of this Sunday is the reflective prayer address by Jesus to the Father. Jesus prays not only for the preservation and flourishing of believers in themselves but for their effectiveness as instruments for imparting the divine life to the wider world. The main point of his prayer for unity emphasises that we will find this unity not in one another but in Christ. The oneness that Jesus prays is a gift from above, a participation in the divine communion of love between Father and Son.

World Communication Day – Today is World Communications Sunday – a day set aside to pray for the work of the Church in spreading the Gospel of Jesus to the modern world, using all the technology and means of communications available to us.
